

<Insert NPD/Education Department name> is Celebrating Nursing Professional Development Week, September 13-19

Each year during the third week of September, nursing professional development (NPD) practitioners from across the globe take the time to celebrate [Nursing Professional Development Week](#). This is an opportunity to shine a light on the profound impact NPD practitioners have on the nursing profession. <insert NPD to Education Department> welcomes you to join us in the festivities September 13-19, 2026.

NPD practitioners provide staff with quality education throughout all stages of their careers and ensure that our organization is recognized for quality, evidence-based practice, and patient safety. NPD practitioners at <insert your organization or facility name> provide programs such as:

- Orientation and transition to practice programs
- Competency assessment
- Nursing professional development contact hours
- Education on use of new equipment, policies and procedures
- Coordination of student affiliations

Wishing you a happy NPD Week!

<insert your organization or facility name>

Your NPD Practitioners are always willing to help when you're ready to continue your education. Are you interested in enrolling in a program or going back to school? Visit our NPD Department today, or contact us via email at <insert NPD Department email> or via telephone at <insert telephone> to set up an appointment.
